Oregon Community Health Workers Association

CHW Supervisors Training

October 3 & 5, 2023

1:00pm - 4:30pm

VIRTUAL

The CHW Supervisors Training will equip supervisors to provide effective support to CHWs and THWs they supervise.

By the end of this training, participants will be able to;

- Define “Community Health Worker” (CHW) and explain how CHWs address SDoH to cultivate health equity.
- List and describe key roles, skills and qualities of effective CHWs.
- Explain and apply foundational elements of a reflective supervision practice.
- Discuss and practice methods for trauma-informed supervision.
- Identify structural changes within programs and organizations to foster strength based, trauma-informed, and culturally responsive support and supervision.
